INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, §1.97 and §1.98, Applicant submits for consideration in the above-identified patent application the documents listed on the accompanying Form PTO-1449. The documents are being cited in accordance with M.P.E.P. § 2001.06(b) because the above-identified application is related to a patent application 10/072,598 which is currently co-pending, and which is also prosecuted by the undersigned.

Item AA in the attached PTO-1449 is the patent application 10/072, 598 which was incorporated by reference in the above-identified application.

Item BB in the attached PTO-1449 is an Office Action dated February 20, 2003 in the patent application 10/072,598.

Item CC in the attached PTO-1449 is a Response to Office Action dated May 20, 2003 in the patent application 10/072,598.

Items A-D in the attached PTO-1449 are references that were cited in the Office Action identified above as Item BB.

A copy of each of these documents A-D and AA-CC is not submitted herewith because all these documents are readily available in the related application 10/072,598 currently being examined by the same Examiner. If, for any reason, the Examiner is unable to obtain these documents, the Examiner is respectfully requested to call the undersigned at 408/982-8200 ext. 3 so that alternative arrangements can be made to supply copies of these documents.

Applicant would appreciate the Examiner initialing and returning the Form PTO-1449, indicating that the information in these documents has been considered and made of record herein. If the format of the entries in PTO-1449 for items AA-CC needs to be changed in any manner, please contact the undersigned at 408/982-8200 ext. 3.

Applicant assumes that the Examiner will monitor the related application 10/072,598 for any future Office Actions, Amendments and any new References being cited therein and take them into account in determining patentability of claims in the above-identified patent application. If this assumption is incorrect, Applicant respectfully requests the Examiner to so state on the record, in the next Office Action.

The information contained in this Information Disclosure Statement is to the best of my knowledge and is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.
